**ORDER**  
19 CR 700 (VB)

By Order dated October 26, 2020 (Doc. #160), the Court tentatively scheduled the trial of this case (defendants Dabbs and Gonzalez only) for January 4, 2021. However, upon the strong recommendation of its expert epidemiologist, and in the interest of protecting the health and safety of all trial participants, the Southern District has decided that no jury trials shall be scheduled during the two weeks immediately following the Christmas/New Year's holiday period. Accordingly, the trial of this case cannot commence on January 4, 2021.

The parties are notified that jury selection and trial of this case is now tentatively scheduled for February 16, 2021, at 9:30 a.m.

All other dates and deadlines set forth in the October 26 Order remain in effect.
